buntkicktgut invites to its classics: the indoor tournaments of the winter season 12/13

28th buntkicktgut–open Munich

LIGACUP

in the categories U13, U15, U17, ladies (U19), senior (over 17)
municipal multipurpose hall Munich-Feldmoching ("Faganahalle")

Dear friends and partners of buntkicktgut,

The first winter cold wave has already come up with the first snow. With us you can take off your winter clothes, because buntkicktgut is back for some more fun and to set the pitch on fire! At the buntkicktgut-open you can present your skills and leave the name of your team on the challenge trophy besides the previous winners! Of course, the main objectives next to the sportive challenge are our most important values: fun and tolerance, respect and fairplay, friendship, exchange and education! On the following pages you can find a **summary of all events of the League Cup in January 2013**.

We look forward to your participation and to meeting many old friends from our partner organizations. The registration forms can be found on the last page.

If you want to participate, get in touch with us soon, as only a certain number of teams can be registered. For the **Munich teams**, there will be a qualification due to the popular demand.

We particularly welcome registrations of foreign teams and will try to include them all. We can arrange accommodation for our foreign guests in hostels, pensions or youth centers according to your wishes and budgets. Travel, accommodation and food must be paid independently.

Of course there will be next to the traditional challenge trophy and the trophies for the top eight teams some more prizes: enjoy the surprise!
